## School Improvement Plan

This year Eagle Creek staff will work as a team to focus on two parts of the APS Strategic Plan:

**Providing a Safe and Positive Learning Environment-** we have developed common lessons around how "teammates" behave and are working as a school to show teammate behaviors, which include a focus on perseverance, attendance, sportsmanship, working together, and following the "Big 5". A team of teachers will collaborate to create a pyramid of behavioral interventions and staff will continue professional development around Adverse Childhood Experiences.

**Student Learning and Achievement-** school staff will engage in professional learning and implement the new ELA curriculum with students as well as use the new iReady assessment system to guide instruction and intervention for all students.

Our efforts in these areas will help us reach the goal of increasing student achievement in the area of English Language Arts and decreasing chronic absenteeism and student discipline referrals.
