What is Naviance?

A college and career readiness platform that helps connect academic achievement to post-secondary goals.

A comprehensive college and career readiness platform that:

- Empowers students and families to connect learning and life;
- Provides schools and districts with the information they need to help students prepare for life after high school; and
- Allows students to create a plan for their futures by helping them discover their individual strengths and learning styles and explore college and career options based on their results.

Every child, every hour, every day
Naviance Overview

To provide post-high school career information, including:
- career options
- financial aid options
- scholarships
- test preparation
- college athletics
- military options

To assist in the search for colleges, with the ability to:
- look up information about individual colleges
- compare colleges
- view "scattergrams" to compare the aspiring student to past students’ acceptance to individual colleges
- manage college choices
- view the college visit schedule

To prepare college applications, including the ability to: (Coming soon)
- keep records of activities, grades, college interests, career interests
- allow counselors to write recommendations (done online)
- Coordinates teacher recommendations (done online)
- order transcripts and test scores (done online)

To allow counselors to communicate with students.

Naviance will be used in grades 6-12 to assist in High School and Beyond Planning.

To assist in students’ self-exploration, including:
- Determining their strengths
- Determining their interests
- Acknowledging their challenges and planning to overcome them
- Setting goals

Looking ahead....

Career and College Readiness curriculum offered in Naviance will be delivered in all secondary schools. Students can access their accounts on their school web site.

Parents will be receiving an email with their own login and password for Family Connection in the future.

Communication from counselors for parents will be coming at the beginning of February and we plan to offer opportunities in the spring for families to come in and learn more about the Naviance program.
