Facility Use

Presidents Elementary was project number three of a four-part bond voters approved in March 2000. The building is designed to accommodate 650 students, grades kindergarten through fifth-grade. The school is located in the "Old Town" zone of Arlington, which preserves the historic quality of the traditional town center. The building design takes this intent into account, respecting the historic Roosevelt

Building and other surrounds. You are invited to become an active part of our school.

Student Assessment Result Comparisons

Due to the abbreviated nature of the assessment, there is no comparison data available. Standard state testing will resume in spring 2022.

School Improvement Plan

For the 2021-22 School Year, Presidents Elementary School's school improvement efforts will engage staff in meaningful professional development and action steps to increase collective efficacy in tier one instruction by:

- Embracing the Universal Design for Learning (UDL) principles of variability and firm goals--flexible means
- Implementing the PurposeFull People (*Social-Emotional-Academic-*

Learning (SEAL) Curriculum)

- Transforming instruction into diverse and accessible learning opportunities that embrace student variation

Student success will be measured by Standardized Testing and Reporting (STAR) and Smarter Balanced Assessment data once baselines are collected.
