School Improvement Plan

For the 2022-23 School Year, Kent Prairie Elementary School's school improvement efforts will engage staff in meaningful professional development and action steps to increase collective efficacy in tier one instruction by:

- Embracing the Universal Design for Learning (UDL) principles of variability and firm goals--flexible means.
- Implementing the PurposeFull People (Social-Emotional-Academic Learning (SEAL) Curriculum)
- Transforming instruction into diverse and accessible learning opportunities that embrace student variation.

Student success will be measured by Standardized Testing and Reporting (STAR) and Smarter Balanced Assessment data.
